

AREZOO NASERI

UX/UI DESIGNER

Phone: 414 92 965

Email: arezoo.naseri@yahoo.com

As UX Designer my focus is to create a product that provides the best possible user experience for mobile and desktop users. I enjoy shaping technology in an iterative design process that puts users in centre and carry them over hurdles. Driven by my background in UI design, I aim for interfaces that are inclusive yet appealing. I have plan to approach the advance knowledge of front coding to broaden my understanding of the technology.

UX SKILLS

User research
Information Architecture
